## “Gluten-Friendly Options” Disclaimer\*

\*This menu is a list of items that do not inherently contain gluten. This list is intended to act as a tool to help you make informed decisions about your meal. The information used to determine gluten-content was provided by our food manufacturers and suppliers. While every attempt will be made to keep this list as up-to-date as possible, we cannot control when a supplier changes the ingredients in a product or the way it is prepared. These changes may not be reflected in this list. Please note that we may occasionally substitute products due to inventory shortages, regional supply, season of the year, and recipe revisions. In addition, certain menu items may vary from restaurant to restaurant. **We are unable to guarantee that any menu item can or will be completely free of gluten.**

Native Grill and Wings is not, nor do we claim to be, a Gluten-Free Certified Operation. While we use extreme caution in preventing cross-contamination, there is still the possibility of gluten contact in our kitchen during storage, preparation, cooking, and serving. We do not separate gluten-free and gluten-containing items in our fryers, so the possibility of cross-contamination in fried foods is high. In addition, our breaded and non-breaded items are sauced in the same containers. There is airborne flour in our kitchens due to our breading process. **Due to these circumstances, we cannot guarantee that any menu item can or will be served completely free of gluten.** Those with Celiac Disease or extreme gluten intolerance should exercise careful judgment when ordering.
